## COMMEMORATIVE BRICK

### ‘WALK OF LIFE’ PROJECT

Creating a lasting tribute through the use of laser-engraved bricks is the focus of a new program by Friends of Wells/Robertson House, Inc. FW/RH is a nonprofit agency dedicated to raising funds for the perpetuation of the program at Wells/Robertson House, a transitional house in Gaithersburg for homeless persons in recovery from alcohol and drug addiction.

Friends of Wells Robertson is providing an opportunity to purchase a Commemorative Brick for a tax-deductible donation of \$100 for a 4"x 8" brick with up to 3 lines of text and up 17 characters each line (including spaces). The engraved brick will become part of the **"Walk of Life,"** a beautiful brick walkway that will be incorporated into the landscape design of the front walk at Wells/Robertson House, which sits next to City Hall in Gaithersburg. 8"x 8" pavers are available for \$250 and can include a company logo. All proceeds from this fundraising project will go to help support the Wells/Robertson House Program.

Below is the form that will allow you to order your Commemorative Brick. Just complete the form and *make your check payable to Friends of Wells/Robertson House, Inc.*
